

University Preparation Masterclass

**09th & 10th
December 2017
10.00am to 6.00pm**

SIGN UP NOW!
Limited to 30pax only!

The programme has been designed for ambitious high-achieving students aged 15+ who are studying towards or have yet to start A levels (or equivalent), interested in progressing to **Oxford, Cambridge and other leading Russell Group universities such as London School of Economics, Imperial College London, University College London, Warwick and others.** The course will be run by Oxbridge mentors who not only have expert knowledge in their subject but also have first hand experience of how to gain entrance into the world's top universities.

This programme is paired with the **Future Leaders Internship Programme (FLIP)** so that students can reflect on their internship experiences and apply their own personal experiences and insights to debate and discussions in class. Any strong applicant will have experience of working within industry, but only exceptional applicants can reflect on their experiences and apply it to academic discussions. Our all-encompassing approach therefore seeks to ensure that students taking part will stand out from the crowd when applying to university.

Students attending this programme will therefore be able to participate in the following:

✓ **2-Day Uni Prep Programme led by Oxbridge mentors**

✓ **2-week Internship Placement at the industry of their choice**

(Students are given a timeframe of 1 year from the date of the programme to complete this internship)

The Mentors from OIC

Yasmin is known worldwide for her expertise and experience in educating international students and helping them to gain entry into top universities in the UK and across the globe. She is a Founder of Cardiff Sixth Form College (Britain's Brainiest School) - Top A-Level college in the UK in 2010-2017.

Yasmin's personal impressive track record of assisting students with their university applications includes world top ranking universities, such as, Oxbridge, LSE, Imperial, UCL, HKU, CUHK

Frank Hardee is an Oxford University PPE (Philosophy, Politics and Economics) Graduate who is also a qualified teacher and University Guidance Counsellor. In addition to working at one of Britain's top independent schools, Frank helped to found NLCS Jeju in South Korea and also Marlborough College's Malaysian campus. Frank is now the Director of Oxford Summer Academy, a summer school programme based in Oxford to help international high school students get into the UK's leading universities.

Learning objectives

This course aims to:

- Develop students' knowledge about the range of universities and courses in the UK
- Introduce students to the practical requirements of applying to UK universities through UCAS
- Prepare students so that they can sit entrance tests with confidence
- Show students how to write a successful personal statement
- Teach students useful interview and presentation skills
- Introduce students to a range of topical issues in their chosen subject and encourage them to develop research and independent learning skills.

At the end of the course the students will:

- Be aware of the procedure for applying to UK Universities
- Have developed a personal preparation strategy
- Have awareness of the course(s) that would be most suitable for them
- Have developed the ability and confidence to stretch their critical thinking in order to excel in admissions tests and answer interview questions
- Have developed a set of transferable skills vital for a successful university application
